

# TRIP TO ENGLAND

Day one - Rochester

Day three - Brighton

Day two - London

Hello, we are going to present our trip to England. We are going to do a summary of each day : first Rochester, second London and finally, Brighton, our favorite activities, our experience with the host family, in addition the food and finally a conclusion.

# DAY ONE - ROCHESTER

At 6 am we left from the Bellevue train station, in a school coach. We arrived at 12 o'clock to the border control, after that we took the Shuttle. At 2pm we were in Rochester. We enjoyed the free time in High Street, next to the famous cathedral. We were fond of the architecture of the cathedral. At 7pm we discovered our host family. We really loved the family; they were very nice and patient however the food was not our cup of tea.

# DAY TWO - LONDON

We were awake at 6.30 am. At 8am our family took us to the meeting point, moreover we arrived in London at 10am. We loved hanging out at Covent Garden. Also, we bought gifts for our friends and families. We were crazy about the view from the top of the London Eye, even if it was quite long. The National Gallery was not our thing because we were tired, even if, on the other hand the paintings were breathtaking. We came back to our host family. We loved the diner. We enjoyed chatting with the family; they were very interesting. We wish we had more time in the city.

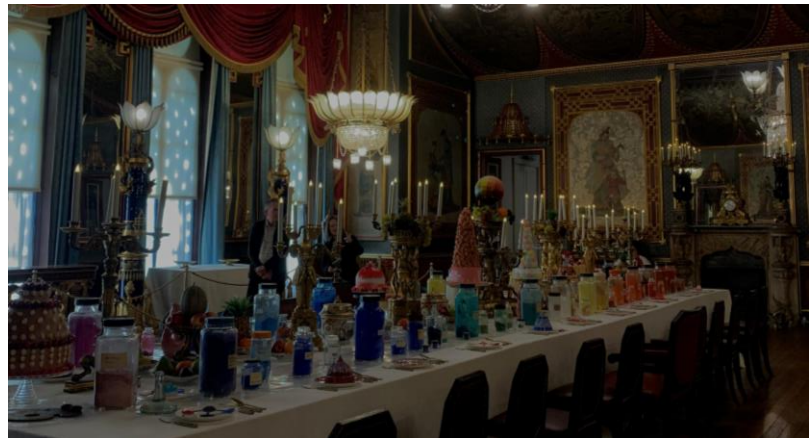

# DAY THREE - BRIGHTON

We left the family at 7.20am. We wish we had more time with them, because we really enjoyed our time with them. We arrived to Brighton at 10.30am. We love the atmosphere of the streets and we were crazy about the beach, and the pier was beautiful however we didn't go there. We were fond of the Royal Pavilion, the architecture is mesmerizing. We were crazy about the free time in the streets and the mall however we couldn't stand the come back trip; it was long and boring as a result, we were very tired.

# MEMORIES

To conclude, we loved this trip to England. Our favorite city was London even if Brighton and Rochester were incredible, too. The capital of England has many beautiful landmarks, like Trafalgar Square, Covent Garden, also Big Ben. The view from the London Eye was breathtaking. We wish we had more time in England and we will go back to discover new cities.

We want to thank the teachers and the host family for their hospitality.
